Locations

Los Angeles

Resident Evil

Los Angeles, like most places in the world, is also subject to the T-virus outbreak. When Alice and Claire Redfield arrive, the city is in ruins.

*Ad van Gerven : 2014***Resident Evil****Afterlife**

334 Los Angeles in ruins

*Ad van Gerven : 2014***Locations**

Citadel maximum security block

Resident Evil

Los Angeles

When the small group of survivors find Chris Redfield in the citadel, whom they do not know or trust, they imprison him in the maximum security block

*Ad van Gerven : 2014***Resident Evil****Afterlife**

352 Maximum security block in the Citadel

*Ad van Gerven : 2014***Locations**

Citadel shower room

Resident Evil

Los Angeles

The shower room in the citadel becomes a special place when a tunnel, created by the zombies, finds an exit there. Later these tunnels prove to be the only possible way out of the citadel for the survivors.

*Ad van Gerven : 2014***Resident Evil****Afterlife**

358 Alice in the Citadel shower room

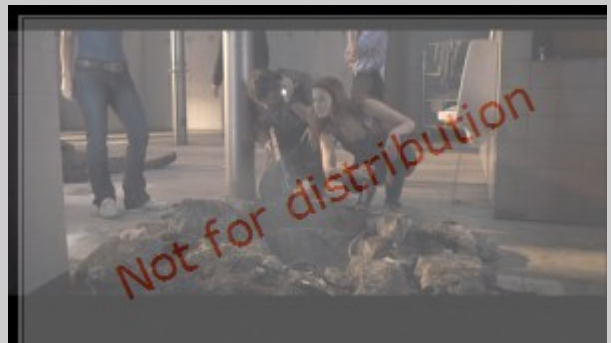

*Ad van Gerven : 2014***Locations**

Zombie tunnels L.A.

Resident Evil

Los Angeles

Several specially mutated zombies, possibly sent from the Arcadia, are borrowing tunnels from the L.A. sewer system. One of these reaches the Citadel and enters it at the shower room

*Ad van Gerven : 2014***Resident Evil****Afterlife**

360 Zombie tunnel exit in the Citadel shower room

Ad van Gerven : 2014

Locations

Citadel front gate

Resident Evil

Los Angeles

The citadel has, of course, a high and strong gate. It is sufficient to keep the zombies out, until an axeman arrives. He, eventually, succeeds in opening the gate after which he himself and hordes of zombies are able to enter the facility

*Ad van Gerven : 2014***Resident Evil****Afterlife**

363

The Axeman attempts to break the Citadel gate

*Ad van Gerven : 2014***Locations**

Citadel cellar and weapons room

Resident Evil

Los Angeles

In the cellars of the Citadel there is a weapon storage room. To reach it, Chris Redfield, Crystal Waters and Alice have to swim underwater through a section of flooded rooms.

*Ad van Gerven : 2014***Resident Evil****Afterlife**

369

Arcadia in L.A. harbor

Resident Evil

Los Angeles

A few days before Alice and Claire Redfield reach Los Angeles, the Umbrella vessel Arcadia enters L.A. harbor. Messages are transmitted from the ship, calling survivors to join them. In reality the ship is commanded by Albert Wesker, and survivors are captured and hibernated for experiments.

*Ad van Gerven : 2014***Resident Evil****Afterlife**

388

Alice, Chris and Clair approach the Arcadia

*Ad van Gerven : 2014***Locations**

Arcadia research and captivity room

Resident Evil

Los Angeles

Lock 36, one of the holds in the Arcadia ship, appears to be empty. In fact about 2000 survivors in hibernation are located in tubes beneath the floor of this hold. K-Mart is one of them

Locations

Major Cain's camp

Resident Evil

Nearby Raccoon city

During the Raccoon city outbreak Major Cain was in charge of evacuation and contamination control. There is a large wall around the city, and an Umbrella Corporation camp outside it.

Ad van Gerven : 2014

Resident Evil**Apocalypse**

106

Umbrella camp outside Raccoon city

Ad van Gerven : 2014

Locations

Bayliss Way

Resident Evil

Raccoon city

Raccoon city hospital is located on Bayliss Way. After Alice leaves the hospital she walks along this road, where she is found by Dr. Ashford who is searching for his daughter Angela as well as for survivors of the Raccoon city outbreak

Ad van Gerven : 2014

Resident Evil**Apocalypse**

109

Dr. Ashford locates Alice on Bayliss Way

Ad van Gerven : 2014

Locations

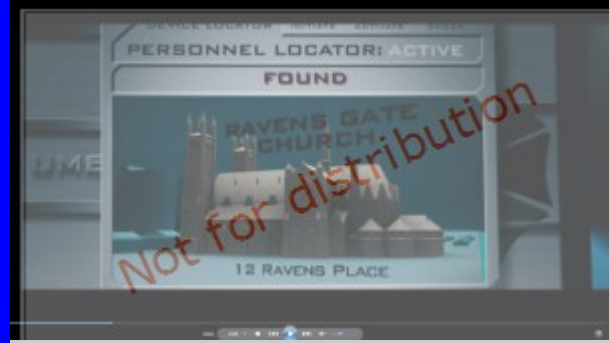

Raven's Gate church

Resident Evil

Raccoon city

This church is located in Raven's Gate, one of the quarters of Raccoon city. During the Raccoon city outbreak, finding themselves locked up in the city, Peyton Wells, Jill Valentine and Terri Moralis use the church as a safe location. In the church they are attacked by three B.O.W. creatures. Alice enters the church by driving her motorcycle through a stained glass window and kills the B.O.W.

Ad van Gerven : 2014

Ad van Gerven : 2014

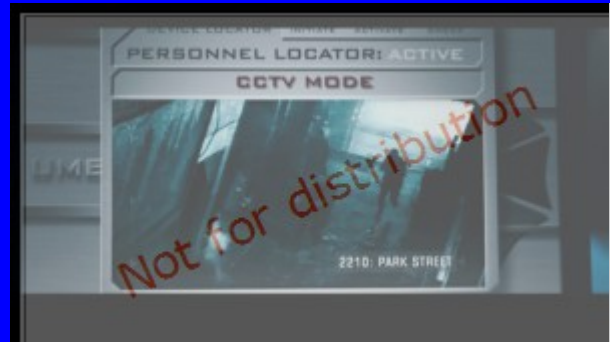

Locations

Front Street

Resident Evil

Raccoon city

A location in the center of Raccoon city. Dr. Ashford contacts Alice, Jill, Peyton and Terri here by public phone to ask them to rescue his daughter Angela in exchange for an escape way out of the infected and quarantained city

Ad van Gerven : 2014

Resident Evil**Apocalypse**

142

Dr. Ashford watches Alice and her friends on Front Street

Ad van Gerven : 2014

Locations

Arklay overpass

Resident Evil

Raccoon city

A pedestrian passage where Alice, Jill, Terri and Peyton are found again by Dr. Ashford. Nemesis, after his activation, is also near and recognizes Peyton and Jill as S.T.A.R.S. members. He kills Peyton. Jill is saved by Alice. Nemesis starts a fight with Alice, pursuing her, but is commanded to disengage by Major Cain.

Ad van Gerven : 2014

Resident Evil**Apocalypse**

145

Arklay Overpass

Ad van Gerven : 2014

Locations

city hall helicopter platform Raccoon city

Resident Evil

Raccoon city

A helicopter platform on top of Raccoon city hall. Major Cain and an Umbrella army team, holding Dr. Ashford as hostage and Nemesis as defence wait in ambush for Alice and her friends. Angela is reunited with her father, but Cain kills him to force Alice to fight with Nemesis. Alice wins, but as Cain instructs his soldiers to kill her Nemesis chooses her side. Alice, Angela, Jill, Carlos and L.J. escape using the helicopter, leaving Major Cain to be victimized by the approaching city hall zombies. A terrible fate for anyone, whether in or outside a zombie story.
